**SUPPLEMENTARY INFORMATION:**

## **I. Abstract.**

This information collection is required under the Reclamation Reform Act of 1982 (RRA), Acreage Limitation Rules and Regulations, 43 CFR part 426, and Information Requirements for Certain Farm Operations In Excess of 960 Acres and the Eligibility of Certain Formerly Excess Land, 43 CFR part 428. The forms in this information collection are to be used by district offices to summarize individual landholder (direct or indirect landowner or lessee) and farm operator certification and reporting forms. This information allows us to establish water user compliance with Federal reclamation law.

## **II. Changes to the RRA forms and their instructions.**

The changes made to the currently approved RRA forms and the corresponding instructions are of an editorial nature, and are designed to assist the respondents by increasing their understanding of the forms, clarifying the instructions for completing the forms, and clarifying the information that is required to be on the forms. The proposed revisions to the RRA forms will be effective in the 2016 water year.
